Housed in Microtel Acropolis and Oracle Hotel, they will be part of our Loyola Schools Campus community for 3 weeks, mostly in the training sessions located in classrooms both in LS and at the Institute of Social Order (ISO).

The training begins with an ORSEM on Monday, 10 October in Leong Hall Auditorium. It includes an orientation to the rationale, content, method, and expectations of the training; administrative policies; as well as a campus tour. The training ends with graduation ceremonies on Friday, 28 October.

I would like to thank our ADMU CHED GET PROGRAM COMMITTEE composed of ADSAS personnel – with Marie Joy R. Salita as Program Coordinator, and Christopher F. Castillo as Program Assistant Coordinator – for handling the logistics and coordinating support for this training.

By participating in this CHED GE Training, the Loyola Schools hopes to contribute to the nationwide effort by CHED to build the capacity of our teachers in delivering the new GE courses by 2018.
